

# CALIFORNIA INDIAN NATIONS COLLEGE

EDUCATING • STRENGTHENING • EMPOWERING

March 30, 2020

Good Afternoon, Everyone!

I truly hope this email finds you and your families well. Three items I would like to cover:

- 1) **Tutoring and Study Groups** – Stay engaged!! This is a prime opportunity to get ahead of and to catch up on any assignments. I have been informed that many are not taking advantage of these opportunities, and yet are facing these challenges alone. We are here to help. Please get involved.
- 2) **Gathering Under the Stars (GUTS)** – If anyone has video recordings or knows of anyone who has any videos of our GUTS events (Nov 10, 2018 and/or Nov 9 2019), please let Ryan know ASAP. You will receive a special gift if your video is used! Send to [RMariano@CINCollege.org](mailto:RMariano@CINCollege.org)
- 3) **EMAILS** – Check your emails EVERY SINGLE DAY! We understand this can be a challenge; however, this is extremely important to stay updated.

While COVID-19 has had a significant impact on our daily routines and our lives in general, your patience, understanding, and cooperation for this virtual mode of course delivery and communication is greatly needed and greatly appreciated. We know it can be frustrating during this adaptation period, so we continue to ask that you be patient. Please know that the CINC Student Services team (Iselda, Faith, and Courtney) are diligently working to assist each and every one of you. Your success is our success!

Again, be well, be safe, and keep on studying!

Sincerely,

Celeste R. Townsend  
President & CEO
